Recruitments to the Grade of Amildars and Deputy Amildars.

No. R. 2565-612—L. R. 35-14-43, dated 2nd September 1916.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

Read again—

Government Order No. R. 2204-43—L R 18-06-2, dated the 18th August 1906, laying down rules for the selection of candidates eligible for appointments of Amildars and Deputy Amildars.

Read also—

(1) Government Order No. 5000-10—L. R. 28-06-6, dated 14th November 1906, and (2) paragraph 1 of Government Order No. J. 1046-55—Regis. 2-10-8, dated 29th September 1910, on the same subject.

Order No. R. 2565-612—L. R. 35-14-43, dated 2nd September 1916.

In supersession of all previous orders on the subject, Government are pleased to lay down the following rules for regulating the appointments of Amildars and Deputy Amildars :—

(1) When long-term and permanent vacancies arise, the appointments will be made by selection from an approved list of fifty officers of the following departments in the proportions specified below :—

Thirty from the Revenue Department.
Eight from the General and Revenue Secretariat.
Seven from the Police and Judicial Departments.
Five from the Registration and other Departments.

(2) The Heads of Departments concerned should submit lists of officers in the appended form, once a year, on the last day of August. The order in which the names appear should be determined by considerations of both seniority and efficiency.

(3) The following rules should be observed in the preparation of the lists :—

(*a*) Graduates only should be included in the lists as a general rule. In the case, however, of officers belonging to classes and communities not sufficiently represented in the public service and in which graduates are not available, efficient men who have passed at least the F. A. or the Intermediate Examination may be selected.

(*b*) The officers selected should be qualified in the Revenue Higher, Criminal Higher and Accounts Higher or lower departmental tests.

(*c*) No one who is above the age of 45 and whose previous records of service is unsatisfactory should be included.

(*d*) The minimum pay qualifying for inclusion in the lists should be Rs. 50 per mensem.

(4) The Government will communicate to the Heads of Departments concerned, the final lists as approved of by them for each of the groups specified in paragraph (1), arranged in order of preference.

(5) In the case of temporary vacancies, however, the following rules will be observed :—

(*a*) For short acting vacancies of one month's duration or less, the Deputy Amildar of the Sub-Taluk attached to the taluk, if any, may be placed in charge of the current duties of the Amildar, by the Revenue Commissioner, in addition to his own. In taluks, where there is no sub-taluk, the Sheristedar, if

qualified, may be placed in charge of the current duties of the Amildar. If the Sheristedar is not qualified, he may be placed in charge of the current duties only for a period not exceeding ten days.

(*b*) For vacancies among Amildars exceeding one month's but not two months' duration, the Deputy Amildar of the nearest sub-taluk, if any, should be appointed to act and if there is no such Deputy Amildar, the official who is first in rank in the approved list for the Revenue Department in the district concerned, may be chosen as Amildar provided that the local Taluk Sheristedar shall be preferred to such official, if his name is included in the list. In the case of a vacancy of Deputy Amildar, the officer first in the list for the Revenue Department in the district should be appointed to act.

(6) The order in which the different departments specified in paragraph 1 should be preferred for vacancies—long-term, *sub pro tem* and permanent—will be as follows:—

Revenue Department list.—The first and every succeeding alternate vacancy.

(i) The General and Revenue Secretariat, (ii) The Police and Judicial Departments and (iii) The Registration and other departments will receive the other vacancies by turns in the order in which they are enumerated.

(7) Once a quarter, the acting appointments made, will be scrutinized with a view to see that deserving seniors do not lose by reversion owing to exigencies of service.

(8) No person will ordinarily be confirmed as Amildar or Deputy Amildar until he has put in full one year's duly approved active service and produces the prescribed certificate in equitation and has undergone the required training in survey work.

(9) All first appointments of Amildars will be in the last class and promotions from one class to the next higher will be regulated by efficiency in the discharge of duties and not entirely by seniority.

13. G. O. No. R. 6096-105—Fts. 54-11-1, dated 29th April 1912.

(1) *Submission of reports.*—All cases of accidental fire in which there has been loss of human life or cattle, or property valued at Rs. 500 or more, should be reported to the Revenue Commissioner in the appended form (Form A) as soon after the occurrence as possible. A half-yearly statement of all such cases should be submitted to Government in the same form, by the Revenue Commissioner before the close of the month following each half-year, with his review on the causes of such accidents, and the measures to be adopted for minimising them in future. This does not however preclude the Revenue Commissioner from submitting reports, on individual occurrences, where distress is general, or when special relief not covered by rules is deemed necessary.

(2) *Concession to sufferers.*—Relief should be afforded to raiyats paying kandayam to Government, in Sirkar villages. Agricultural labourers, ordinary coolies and residents not paying any kandayam are not as a rule, entitled to any free grants of timber. Free grants may be made to raiyats of inam villages or those cultivating minor inam holdings, in special cases, only where the whole or greater part of a village is destroyed by fire.

(3) Particular care should be taken to see that no delay is allowed to occur in affording relief to distressed raiyats. The half-yearly returns due to Government should give the date of grant of relief.

(4) *Limit on value of materials.*—The value of the materials to be granted free to the sufferers should ordinarily be limited to one year's kandayam paid by each individual. In exceptional cases where such value exceeds one year's kandayam, or where non-agriculturists are recommended for any concession, the grounds for such special treatment should be set forth clearly. The value of the materials supplied should be calculated at ordinary license rates for unreserved wood and bamboos for each district.

(5) In cases where the materials are to be granted from a district different from that in which the grantee or grantees reside, half the rates prescribed for such materials should be recovered.

(6) When such free grants are sanctioned the wood will, where it can be done, be felled and delivered from the Depots or other convenient spots, by the Forest Department, all *bona fide* charges for felling and carting being borne by the raiyats to whom the free grant has been made.

(7) *Powers of several officers granting relief.*—Deputy Commissioners are empowered to make free grants of unreserved wood of a value not exceeding Rs. 50 from District Forests. When wood of the reserved kind is required, in special cases, the consent of the Conservator of Forests should be obtained before they can sanction its grant within the prescribed limit.

(8) Each District Office should maintain a printed register in "Form B" appended to this order and forward a quarterly extract from his register to the Conservator of Forests, who will not only bring to the notice of Government any cases of excessive or irregular grant noticed on a review of those returns, but will also, submit a consolidated statement of relief afforded in cases of accidental fire occurrences at the end of each year with his annual report.

(9) Revenue Sub-Division Officers may grant building materials from District Forests to the extent of Rs. 25 to each individual.

(10) In cases where immediate relief is called for, small quantities of timber of an inferior description, or bamboos may be granted by Amildars, from District Forests, when the value calculated at seigniorage rates does not exceed Rs. 10 in each case.

(11) The Sub-Division Officers and the Amildars should submit to the Deputy Commissioner a report in "Form B" of grants sanctioned by them as soon as they are made, for incorporation in the register maintained in the Deputy Commissioner's Office.

(12) The Conservator of Forests is empowered to sanction the grant of building materials from State Forests when the value does not exceeds Rs. 50. Where, however, the value of materials exceeds Rs. 50 or where the Conservator of Forests cannot accept the Deputy Commissioner's recommendation, the matter should be submitted for the orders of Government.

(13) The Superintendent, Government Press, is requested to print and supply as many sheets of Forms A and B as may be required by the Revenue Commissioner, the Conservator of Forests and Deputy Commissioners of Districts on indent.

Restoration of Major Tanks.

No. R. 2694-703—L. R. 443-15-3, DATED 6TH SEPTEMBER 1916.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

READ—

The following extract from para 93 of the Dewan's Address to the Dasara Representative Assembly, dated 19th October 1915

'The question of the restoration of the major tanks in the State is also receiving consideration In future the selection of these tanks for restoration or repairs will be more systematic and will depend on the relative importance of the tanks in point of revenue or their special value to the raiyats or localities concerned'

2 Letter No 1731, dated 24th February 1916, from the Chief Engineer of Mysore, enumerating the general principles to be kept in view in preparing a programme of such works

Order No. R. 2694-703—L. R. 443-15-3, dated 6th September 1916.

Government are pleased to direct that the following rules be observed in the selection of major tanks for restoration :—

(1) A list of major tanks in each district should be maintained in the form prescribed in the appendix.

(2) Usually major tanks in each district should be taken up for restoration in the order of the revenue under them, when the ordinary rules of repairs and maintenance do not apply to them.

(3) Tanks, the cost of restoration of which does not exceed ten years' revenue must first be restored in preference to those requiring a larger outlay.

(4) Restoration of tanks involving extension of irrigation under them and consequently a large capital outlay likely to prove remunerative, should be carefully investigated in the order of their importance and urgency, and taken up as funds become available.

(5) Tanks for which raiyats come forward with liberal contributions should have preference.

(N B)—Exception—In cases, however, of those tanks whose condition is such as to cause damage to those lower down the series or a railway line, then restoration should be undertaken without regard to the considerations set forth in Rules 2 to 5 *supra*.

2. The Chief Engineer of Mysore is requested to have the lists, under Rule (1) prepared forthwith and submit a programme of restoration for the next three years, selecting cases in accordance with the above rules.

The following extract from para 93 of the Dewan's Address to the Dasara Representative Assembly, dated 19th October 1915

'The question of the restoration of the major tanks in the State is also receiving consideration. In future the selection of these tanks for restoration or repairs will be more systematic and will depend on the relative importance of the tanks in point of revenue or their special value to the raiyats [illegible] cilities concerned.'

2 Letter No 1731, dated 24th February 1916, from the Chief Engineer of Mysore, enumerating the general principles to be kept in view in preparing a programme of such works.

Order No. R. 2694-703—L. R. 443-15-3, dated 6th September 1916.

Government are pleased to direct that the following rules be observed in the selection of major tanks for restoration :—

(1) A list of major tanks in each district should be maintained in the form prescribed in the appendix.

(2) Usually major tanks in each district should be taken up for restoration in the order of the revenue under them, when the ordinary rules of repairs and maintenance do not apply to them.

(3) Tanks, the cost of restoration of which does not exceed ten years' revenue must first be restored in preference to those requiring a larger outlay.

(4) Restoration of tanks involving extension of irrigation under them and consequently a large capital outlay likely to prove remunerative, should be carefully investigated in the order of their importance and urgency, and taken up as funds become available.

(5) Tanks for which raiyats come forward with liberal contributions should have preference.

(*N B*)—*Exception*—In cases, however, of those tanks whose condition is such as to cause damage to those lower down the series or a railway line, their restoration should be undertaken without regard to the considerations set forth in Rules 2 to 5 *supra*

2 The Chief Engineer of Mysore is requested to have the lists, under Rule (1) prepared forthwith and submit a programme of restoration for the next three years, selecting cases in accordance with the above rules.

Letter No. C. Per. 40-1, dated 16th August 1916, from the Revenue Commissioner in Mysore, submitting statements showing the progress made in the constitution of Tank Panchayets during the half-year ended 30th June 1916, in the several districts with a copy of his review thereon.

Order No. R. 3004-13—L. R. 13-16-4, dated 14th September 1916.

Recorded.

2. The progress during the half-year under report was not quite satisfactory. The Deputy Commissioners of Districts other than Tumkur and Chitaldrug are requested to devote greater personal attention to this matter.

3. The constitution of Panchayets in respect of Sankha and Ichanahalli tanks in the Hassan and Hole-Narsipur Taluks referred to in para 3 of the Revenue Commissioner's review dated 16th August 1916, was approved by Government in their Notifications Nos. R. 2375—L. R. 188-14-67, dated 28th August 1915, and R. 2374—L. R. 188-14-66, dated 28th August 1915, respectively.

4. Government are glad to note that the Revenue Commissioner is insisting on the punctual submission of these returns.

No. R. 3004-13—L. R. 13-16-4, dated 14th September 1916.

Revenue Commissioner's review of the progress made in the constitution of Tank Panchayets in respect of major tanks during the half-year ending 30th June 1916 in the several districts.

The statements from all the districts, except Chitaldrug, were not received in time. Those from the Bangalore, Shimoga and Kadur Districts were received after a delay of more than sixteen days after the due date. These statements should in future be submitted punctually before the due date.

2. The accompanying statement shows the progress made during the period under review. In none of the districts except Tumkur and Chitaldrug was there any activity in this direction.

3. The names of the members in respect of Sankha and Ichanahalli tanks in the Hassan and Hole-Narsipur Taluks, respectively, not having yet been approved by Government and the names of those in respect of the Hirisave tank in the Channarayapatna Taluk not having yet been reported by the Deputy Commissioner, Hassan District, the figure furnished under column 6 of the statement relating to that district is incorrect as only the number of Panchayets actually working should be shown in that column.

4. The attention of the Deputy Commissioners is invited to Government Order No. R. 10897-905—L. R. 16-15-13, dated the 24th May 1916, requiring them to take more personal interest in the matter and it is hoped that better results will be achieved during the current half year.

Breeding Bulls.

No. R. 3134-52—Agri. 44-15-4, dated 20th September 1916.

GENERAL AND REVENUE DEPARTMENTS.

Read—

Government Order No. R. 3852-69—Agri. 143-11-3, dated 28th January 1913, regarding the maintenance of a breeding bull in each of the Veterinary Hospitals and Dispensaries in the State.

2. Letter No. 1586, dated 12th January 1916, from the Secretary to the Mysore Economic Conference, forwarding for orders an extract from the proceedings of a meeting of the Agricultural Committee held on the 25th September 1915, to the effect that each Veterinary Dispensary may be provided with two breeding bulls, one for improving the draught breed and the other for improving the milch strain.

3. Correspondence ending with letter No. D. Dis. 26, dated 6th July 1916, from the Revenue Commissioner in Mysore, furnishing the opinions of the several District Boards, as also his own in the matter.

Order No. R. 3134-52—Agri. 44-15-4, dated 20th September 1916.

The District Board of Hassan is already maintaining two bulls, and the District Boards of Kolar, Tumkur and Chitaldrug are agreeable to have two bulls as proposed. The District Board of Shimoga consider it unnecessary to maintain an additional bull, while the Kadur District Board request to be supplied with one bull. Of the remaining District Boards, the District Board of Mysore consider it unnecessary to maintain bulls at the Veterinary Hospital, as they are available at the Palace Karohatti, while the Bangalore District Board, plead want of funds to maintain even one bull.

2. Government agree with the Revenue Commissioner in the opinion that the Committee's proposal is a good one and may be accepted, but they are not inclined to compel the District Boards to maintain more bulls then they consider necessary for local needs. They are therefore pleased to sanction the maintenance of additional bulls in the districts, the District Boards of which are agreeable to the proposal. Half the initial and annual maintenance charges thereof will, as hitherto, be borne by Government, while the other half will be debited to the District Boards concerned, who, if necessary, should provide for the extra expenditure by means of reappropriation or additional grants, with the sanction of Government.

3. The Revenue Commissioner is requested to submit proposals for meeting, by reappropriation, any extra expenditure that may have to be debited to State funds on this account, during the current year.

REVENUE COMMISSIONER'S REVIEW.

Subject—

Statements showing losses in cattle of various kinds in the several districts for the quarter ended 30th June 1916.

Recorded.

2. The accompanying statement shows that the total mortality in the State rose to 23,078 from 20,487 of the corresponding quarter of the previous year. There has been a noticeable fall in the number of deaths due to accidents and other causes and a rise in deaths due to sickness. Needful steps are reported to have been taken by the Civil Veterinary Department to prevent the spread of the diseases.

Letter No Pol 1029, dated 8th June 1912, to the Secretary to the Chief Commissioner of Coorg, communicating the Durbar's approval of the arrangements arrived at at the meeting of the Conservator of Forests in Mysore, the Deputy Conservator of Forests, Coorg and the Inspector General of Forests with the Government of India regarding the maintenance of the fire line between the Coorg and the Mysore forest boundary between the Lakshmanatirtha and Pujekal

The Frontier Fire Line between Coorg and Mysore

This matter was discussed at a meeting held at Mysore on 24th January 1912, at which the Conservator of Mysore the Deputy Conservator of Coorg and the Inspector General of Forests were present. It was agreed that in order to form a really satisfactory fire belt between the two Provinces the following work is necessary —

That Mysore should clear a fire line 66 feet wide parallel to the present cleared line 70 feet wide on the Coorg side

That a belt of forest 100 feet wide should be annually burnt on either side of the cleared line *i.e.*, both in Coorg and in Mysore

That a path 10 feet wide should be kept clear of all trees and grass as far as possible in the middle of the cleared line

It was agreed that this work should be done The cleared line in the middle to be in charge of the Deputy Conservator of Forests, Coorg, Mysore paying half the expenses

The burning of the belt of forest in Mysore to be done by Mysore and in Coorg by Coorg Each Ranger to give to the other at least a weeks notice of his intention to burn This arrangement to apply only to the boundary between Lakshmanatirtha and Pujekal

The forest officials of both Mysore and Coorg will, as far as possible, assist each other in preventing fires and in putting out fires that may occur in the vicinity of the frontier

2 Letter No. 247, dated 10th July 1916, from the Conservator of Forests in Mysore, requesting that as the frontier boundary line between Pujekal and Ballemmikal is in a neglected condition the arrangements now in force for the maintenance of the fire line between Lakshmanatirtha and Pujekal may be extended to that between Pujekal and Ballemmikal, and that the Deputy Conservator of Forests, Coorg, is agreeable to the proposal

3 Letter No 2435, dated 17th August 1916, from the Secretary to the Chief Commissioner of Coorg, stating that the Chief Commissioner of Coorg approves of the proposal of the Conservator of Forests in Mysore

Order No. R. 2618-19—Ft. 12-16-4, dated 4th September 1916.

Government are pleased to approve of the Conservator's proposal. He is requested to issue necessary instructions to his subordinates to give effect to the new arrangement at once.

Government Order No. R. 1432—Ft. 171-12-2, dated 31st July 1915, directing among other things that the rates of seigniorage on fuel, etc., fixed by Government should not be altered except with their sanction.

2. Government Order No. R. 4067-76—Ft. 6-14-36, dated 13th October 1915, ordering the reduction of the rates of seigniorage on head and ass loads of fuel from the State Forests of Tarikere to 3 and 6 pies respectively.

3. Subject No. 101 of the Representative Assembly Proceedings of 1915, praying for the reduction of the rates of seigniorage on ass loads of fuel and for the abolition of the seigniorage on head loads in the Tarikere Taluk.

4. Correspondence ending with letter No. 10686, dated 19th April 1916, from the Conservator of Forests in Mysore, explaining the reasons for urging a reconsideration of the Government Order of 13th October 1915, read above and requesting that the rates fixed by the late Conservator in 1913, may be confirmed and that the Conservator of Forests be empowered to fix the seigniorage rates for several forest products at his discretion without reference to Government.

Order No. R. 3283-91—Ft. 107-15-6, dated 23rd September 1916.

The Conservator reports that the rates of seigniorage per head and ass loads were raised to 6 pies and one anna in view of the general rise in the demand for fuel and in the interest of forest conservancy. On a careful reconsideration of the subject, Government are pleased to approve of the rates fixed by the Conservator and to cancel the Government Order of 13th October 1915, read above.

2. Government are, however, not prepared to delegate general authority to the Conservator to fix and alter the seigniorage rates at his discretion. The rates should always be reported to Government for approval.

Para 30 of Part I, Chapter II, of the Financial Rules issued with Government Order No Fl 1150-1192—18-1901-02, dated 7th February 1903, to the effect that "funds should not be unnecessarily locked up and grants which are not likely to be utilized before the expiry of the year should be formally surrendered and placed at the disposal of Government not later than the 1st May for utilisation in other departments."

Order No. Fl. 1565-614—G. F. 75-16-1, dated 12th September 1916

The scope of the rule read above has not been properly understood by some officers who seem to be under the impression that the surrender of grants should take place only about the 1st May even though they may be aware many months earlier that the amounts cannot be utilized within the official year. The object of the rule, *viz.*, to prevent the unnecessary locking up of funds and to provide for their replacement at the disposal of Government as soon as they are found to be not required for expenditure, will not be fully realised if the formal surrender of funds is delayed till the 1st May Government are therefore pleased to direct that the date 1st May in the order referred to above should be changed to 1st April and grants not required for expenditure formally surrendered to Government through the Comptroller as soon as it is found that they are not required by the Department concerned.

2. The Comptroller should submit to Government by the 10th of April of every year a statement of the grants surrendered or not likely to be utilised so that lapses may be avoided as far as possible and the amounts profitably utilized otherwise.

Government consider that it is not necessary to publish lengthy and detailed notices in newspapers and that it would be sufficient if short notices are published in them indicating the nature of the articles required and stating that detailed information would be found in a particular issue of the Gazette or in the office concerned. The detailed notices should, however, be published in the Gazette and spare copies kept in the office concerned for distribution.

Prosecution of Defaulting Joint-Stock Companies.

(1) *Letter No. 3, dated 5th April 1916, from the Registrar of Joint-Stock Companies in Mysore, Bangalore, to the Secretary to the Government of His Highness the Maharaja of Mysore, Revenue Department.*

I have the honor to state that certain Joint-Stock Companies in Bangalore District having failed to submit to this office the necessary Balance Sheets and Lists of Share-holders, the District Magistrate of the said district was addressed in the matter of taking steps for the recovery of penalties prescribed in the Companies Regulation. Having referred the matter to the City Magistrate of Bangalore, the District Magistrate wrote back to this office in his letter No. 2789, dated 31st January 1916, copy of which is enclosed for kind reference, that arrangements may be made by me for the prosecution of the cases by lodging formal complaints before the City Magistrate.

2. In reply, his attention was invited to Rule VIII of Government Notification No. 11660-69—J. 1335, dated 26th April 1897, which requires the Registrar to merely communicate the fact of such defaults on the part of Joint-Stock Companies to the District Magistrate by whom all further and necessary action in the matter has to be taken. Agreeably to this he was again requested to proceed with the cases by getting formal complaints lodged if he found the same necessary.

3. In reply he has stated in his letter No. 3390, dated 11th March 1916, that Rule VIII referred to above does not appear to be intended for the guidance of Magistrates who had to be guided by the provisions of the Criminal Procedure Code, that as offences under the Companies Regulation are all non-cognizable, it is not legally competent for any Magistrate not specially empowered to take them on file without a formal complaint, and that therefore a responsible official might be deputed to lodge a complaint before the City Magistrate. Copy of this letter also is enclosed for favor of reference.

4. As far as I am aware of the situation, neither standing rules nor established practice seem to support the procedure now indicated by the District Magistrate at present, who it appears to me has to take cognizance of the offence (*i.e.* default) on receipt of the intimation from this office, which can unobjectionably be treated as the "complaint" in the matter.

5. Under these circumstances, I beg to refer the matter to Government, and to request that Government may be kindly pleased to issue a definite ruling in the matter to facilitate the speedy disposal of such cases in future.

(2) *Letter No. J. 4718—Regis. 46-15-2, dated 1st June 1916, from the Secretary to the Government of His Highness the Maharaja of Mysore, Revenue Department, to the Registrar of the Chief Court of Mysore.*

I am directed to forward herewith copies of correspondence between the Registrar of Joint-Stock Companies in Mysore and the District Magistrate of Bangalore regarding the correct procedure to be followed in cases of prosecution of defaulting Joint-Stock Companies, under the Mysore Companies Regulation, No. III of 1895, and to observe as follows:

2. Under Rule VIII of Government Notification No. 11660-69—J. 1335, dated 26th April 1897, copy of which is enclosed for reference, it is the duty of the Registrar of Joint-Stock Companies to communicate to the District Magistrate all cases of non-compliance with the Companies Regulation with a view to "necessary steps being taken for the recovery of the prescribed penalties." This Rule is no doubt intended primarily for the guidance of the Registrar; but if the information furnished is sufficient, there is, it is believed, nothing to prevent the District Magistrate from taking cognizance of the case, upon such information under clause (c) of Section 190 (1) of the Criminal Procedure Code. If, however, the District Magistrate sees reason to decline to act upon the information furnished in any case, then the Registrar has apparently no option but to arrange to lodge a formal complaint.

No J 1156-65—Regis 16 15 4, dated 18th September 1916

But it does not seem to be open to a District Magistrate to require generally that a formal complaint must necessarily be laid in every case and that too before some other Magistrate not empowered to act upon information

3 As the question raised affects the procedure of Magistrates as well as of the Registrar of Joint-Stock Companies, I am to request you to be so good as to obtain and communicate to Government the views of the Chief Court in the matter

(3) *Letter C No 94, dated 6—8th July 1916, from the Registrar, Chief Court, to the Secretary to Government, Revenue Department*

Adverting to your letter No J 4718—Regis 46 15 2, dated the 1st June 1916 forwarding copies of correspondence between the Registrar of Joint-Stock Companies in Mysore and the District Magistrate of Bangalore, regarding the correct procedure to be followed in cases of prosecution of defaulting Joint-Stock Companies under the Mysore Companies Regulation, No III of 1895, and requesting to obtain and to communicate to Government the views of the Judges in the matter, I am directed to state that the jurisdiction given by Section 190 (1) (c) is discretionary and that, if the District Magistrate refuses to exercise it, there may arise a question whether there is any power to compel him to do so in any particular case He cannot, as the Judges understand the matter, require generally the presentation of a formal complaint in every case, but that is because he cannot issue orders to the Registrar who is not his subordinate Nor can he by any order bind any one but himself not to exercise the discretionary jurisdiction generally or in any given case His successors would be free in spite of any order that he could make But he can of course lay down a rule for himself, which he can follow if he chooses and depart from if he chooses and it is reasonable that he should inform the Registrar what that rule is and it seems that the District Magistrate of Bangalore is of opinion that the Registrar's reports under Rule VIII do not give him the necessary information to justify him in taking cognizance of the cases reported to him If that is the only reason why he refuses to exercise his jurisdiction the remedy would seem to be, speaking generally, in the hands of the Registrar let him give a complete statement of the facts in his reports so far as he can The District Magistrate is doubtless right in his view that the act does not impose on the Magistracy the duty of investigating and preparing for trial cases of default committed by companies but it is open to the Government to put that duty upon a Magistrate as an Executive Officer, when he is a Government servant, and possibly that is what Rule VIII was intended to do The Registrar will ordinarily know all about the default in respect of which he proposes to recover a penalty, and his report under Rule VIII would ordinarily suffice to enable the Magistrate receiving it to take up the case and either transfer it under Section 192 of the Criminal Procedure Code or deal with it himself But there may be cases where certain facts can be ascertained more easily by a local officer than by the Registrar in Bangalore, and in such cases, it may be, the Government intends the District Magistrates to make the necessary investigation It is all very well for the District Magistrate of Bangalore to ask the Registrar in Bangalore to lay a complaint in Bangalore it would be probably almost as easy for the Registrar to lay a complaint as to make a report, but it might easily be otherwise were the District Magistrate of Chitaldrug to require the Registrar in Bangalore to lay a complaint before himself or before the Sub-Divisional Magistrate of Davangere And it was very likely partly in view of possible inconvenience due to the distance of the registered office of a company from the office of the Registrar, that the procedure prescribed in Rule VIII was devised

2 The Government, it may be, intended that the Magistrate, if he found himself unable to take cognizance under Section 190(1)(c) on the report of the Registrar, should cause such further enquiry as it might be necessary to make, to be made locally either by himself or a subordinate officer, in order to obtain sufficient information on which to take action. The 'necessary steps' of Rule VIII might include an enquiry at the registered office of the company by a Sheikdar or an Amildar

3. But the offences being non-cognizable, the Judges are of opinion that the regular and preferable procedure is no doubt the institution of proceedings by complaint, and that when that procedure can be adopted without serious inconvenience it is desirable that it should be done: the discretionary jurisdiction given by Section 190 (1)(c) was probably not intended for ordinary use, but rather for exceptional cases in which persons aggrieved are not ready themselves to come forward and complain, or where there is an offence which no private person is greatly interested in punishing Where there is a person having knowledge of the facts within a reasonable distance of the court having local jurisdiction to try the case, that person ought to be sent by the Registrar to lay a complaint, in the same way that complaints are laid by other public officers through some clerk or subordinate who knows the facts

4 But where it is very expensive or inconvenient to lay a complaint in this way owing to the distance of the court from the Registrar's Office, the procedure prescribed in

Rule VIII might be followed, and the Government might well, it is conceived, regard as a dereliction of duty the failure of a District Magistrate to take congnizance after enquiry, if necessary, of an offence thus brought to his notice.

5. The Judges are of opinion that it is for the Government to consider whether the duty thus contemplated as falling upon the District Magistrate, of satisfying himself whether there is a case which ought to be taken up is likely to be an unfair addition to his already numerous and onerous public duties; if so other Magistrates might perhaps be empowered to take cognizance of offences under Section 190(1)(*c*); but it must be remembered that Section 190(3) does not seem to enable the Government to restrict the power conferred under it to particular classes of cases.

6. I am to add that Rule VIII purports to be made under Section 220(*b*) of the Companies Regulation of 1895 and is therefore a regulation "with respect to the duties to be performed by the Registrar," and it might be as well, if the Judges may make a suggestion, to amend it so as to impress upon the Registrar the duty of proceeding by complaint wherever that is reasonably practicable. After all, some one who knows the facts will have to go to the court to prove the default at the trial and if he goes also to lay a complaint, it is only one additional journey.

Order No. J. 1156-65—Regis. 46-15-4, dated 18th September 1916.

Government concur in the opinion of the Chief Court that, though the jurisdiction given by Section 190 (1) (*c*) of the Criminal Procedure Code, is discretionary, yet, the District Magistrate cannot require generally the presentation of a formal complaint in every case reported to him by the Registrar of Joint-Stock Companies under Rule VIII of Government Notification No. 11660-69—J. 1335, dated 26th April 1897. The Registrar's report under Rule VIII, if it gives a complete statement of the facts, will ordinarily be sufficient to enable the District Magistrate to take up the case and either transfer it under Section 192 of the Criminal Procedure Code or deal with it himself. If the information furnished is considered insufficient for taking cognizance under Section 190 (1) (*c*), the District Magistrate, as an Executive Officer of the Government, should cause such further enquiry as might be deemed necessary to be made locally either by himself or a subordinate officer. "Necessary steps" in Rule VIII include an enquiry at the registered office of the Company by a Sheikdar or an Amildar.

2. At the same time the Government observe that the offences under the Companies Regulation being non-cognizable, the proper procedure is to institute proceedings by complaint. But where it is very expensive or inconvenient to lay a complaint in this way, the procedure laid down in Rule VIII may be followed. The failure of a District Magistrate to take cognizance, after enquiry if necessary, of an offence brought to his notice, would, it is hardly necessary to observe, amount to a dereliction of duty.

New Indian Guests' Quarters at Mysore.

No. G. 3634-82—G. M. 266-16-1, DATED 13TH SEPTEMBER 1916.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

Order No. G. 3634-82—G. M. 266-16-1, dated 13th September 1916.

Government are pleased to direct that the marginally noted new buildings at Mysore be made available for the temporary occupation of travellers except during Birthday and Dasara Seasons when they will be reserved for the use of guests.

Indian Guests' Quarters—New block.
Travellers' Bungalow (new.)

2. Government are also pleased to sanction the appointment of a Sub-Overseer on a pay not exceeding Rs. 50 per mensem for a period of three years to supervise the marginally noted buildings in Mysore and also the establishments noted in the annexed statement for the three new buildings at a total cost of Rs. 91 per mensem. The charge during the current official year will be met from the provision for "New Works" in the current year's Public Works Budget.

The Lake View.
Sheshadri house.
Padmalaya.
Indian Guests' Quarters (old and new blocks.)
The New Travellers' Bungalow.
The Representative Home.

3. The new buildings will be under the control of the Secretary to Government, General Department, and will be furnished with the necessary articles of furniture, vessels and crockery as per scale appended hereto at an approximate cost of Rs. 6,000, this amount being also made available from the provision noted in paragraph 2 above.

4. The following rules regulating the occupation of the two buildings, *viz.*, Indian Guests' Quarters, New block and the New Travellers' Bungalow will be published in the *Mysore Gazette* for general information. The buildings will be available for occupation from the 1st November 1916.

I. These buildings will be reserved for the occupation of guests during Dasara and Birthday festivities and will be available for the temporary occupation of travellers during the remaining portions of the year. The periods during which the buildings will be so reserved will be duly published in the *Mysore Gazette*.

II. The following rules are laid down for the temporary occupation of the buildings by travellers:—

(1) The Indian Guests' Quarters, New block, are intended for the accommodation of travellers who are vegetarians and the New Travellers' Bungalow for travellers who are non-vegetarians.

(2) The fee for each person occupying a suite of rooms in these buildings shall be rupee one per diem. Two or more persons (whether married couples or not) occupying the same suite of rooms will pay half as much again as the full fee. Fees at the same rate will be levied for every additional occupancy of 24 hours or a fraction thereof.

(3) Travellers passing the night at the buildings will pay the full fee.

(4) Travellers occupying the buildings between sunrise and sunset only are subject to half fee.

(5) Officers in the service of Government are subject to the same fees for occupancy when travelling on duty as under other circumstances, but those drawing a salary of Rs. 200 and under will be charged with half the full fee when travelling on duty.

No. G. 3634-82—G. M. 266-16-1, DATED 13TH SEPTEMBER 1916.

(6) No one may occupy a suite of rooms for more than three consecutive days if the accommodation be otherwise required, without the permission of the Secretary to Government, General Department.

(7) No one may occupy more than one suite of rooms when the others are in demand.

(8) No part of the buildings or their compound may be used nor may the servants be employed without payment of the prescribed fee.

(9) Travellers will be held responsible for damage done by themselves or their servants to the bungalows or furniture or other articles. All articles injured or broken must be paid for prior to the travellers' departure according to the scale, if any, prescribed by the Secretary to Government, General Department.

(10) The Sub-Overseer in charge of the buildings will assist travellers in procuring supplies for ready money.

(11) In the printed Visitors' book kept in the buildings for the purpose, travellers are requested to enter their names, time and date of arrival and departure and the amount of fees paid.

(12) The control of the buildings will rest with the Secretary to Government, General Department. Travellers who have any complaints to make should address that officer by letter or enter their complaints in the "Remarks" column of the Visitors' Book.

(13) All fees and demands in accordance with the foregoing rules must be paid by travellers before leaving the buildings.

READ—

Letter No. 19219-20—805, dated 31st March 1916, from the Inspector-General of Education in Mysore, submitting the estimates of the Village School Fund Budget for 1916-17 with an explanatory memorandum.

MEMORANDUM ACCOMPANYING THE VILLAGE SCHOOL FUND BUDGET FOR 1916-17.

Receipts.—The estimate of receipts for 1916-17 shows a decrease of Rs. 95,500 from that sanctioned for the current official year. The difference is due to the following variations:—

Increase.

(1) The estimate of receipts under "school fees" is based on the average of the fee income during the past three years, 1912-13, 1913-14 and 1914-15, and an increase of Rs 800 has occurred under this head.

(2) Similarly the estimate of receipts under Examination fees has been calculated, and an increase of Rs. 2,000 has been entered under this head.

(3) A sum of Rs. 3,024 has been added on account of malnad allowances under the head "Contribution from State Funds to the Village School Fund" as per Government Order No. 4511-12—Edn. 153-14-5, dated 10th March 1916.

Decrease.

(1) Due to the omission of one lakh of rupees sanctioned in the current year's budget as a grant from State Funds to the Village School Fund on account of village school buildings. An application has been made to Government for repeating this grant for 1916-17 also. Pending sanction of this grant, the amount has not been included.

(2) The opening balance for 1916-17 has not been entered, as the information regarding it is not available in this office.

The receipts from other sources remain unaltered.

In regard to "Interest on investments," the usual figure has been repeated in the absence of definite information as to the present state of the invested balance, though it has been remarked in Government Order No. 658-9—Edn. 163-14-2, dated 9th August 1915, that the excess of expenditure, *viz.*, Rs. 1,16,238 for the current year, should be met from the invested balance at the credit of the Village School Fund.

Expenditure.—The estimated expenditure amounts to Rs. 5,72,508 and it is less than that sanctioned in the budget for 1915-16 by Rs. 92,509. The difference is accounted for below:—

I. *Instruction, General.*—A sum of Rs. 1,22,980 entered over and above the budget allotment of the current year is made up of the following items:—

Increase.

(1) Rupees 1,12,128 due to the allocation of masters in the revised scale sanctioned in Government Order No. 1307-9—Edn. 82-12-6, dated 13th November 1914, to the teachers newly sanctioned in Government Orders No. 4769-70—Edn. 84-14-4, dated 10th May 1915 and No. 5369-70—Edn. 84-14-17, dated 16th June 1915, and to the periodical increments provided for in the case of progressive appointments, as per details given in the accompanying statement.

(2) Rupees 7,828 due to servants, rents, contingencies and local and other allowances sanctioned in the last two orders quoted above.

(3) Rupees 3,024 due to the malnad allowances sanctioned in Government Order No. 4511-12—Edn. 153-14-5, dated 10th March 1916.

II. The lumpsum of Rs. 52,489 has been omitted, as it has been distributed under the appropriate heads.

III. The lump addition of Rs. 66,000 entered in the current year's budget for giving effect to the new allocation has been omitted, as the scale according to the allocation has been shown in the accompanying statement.

IV. There is no alteration under this head.

V. Do do

No. 2524-5—Edn. 82-15-9, dated 30th September 1916.

VI. The special grant of Rs. 1,00,000 sanctioned for this year on account of village school buildings has been omitted, pending sanction of Government to a similar grant proposed for the next year, 1916-17, in this office letter No. 18090-759, dated 10th March 1916, to the Secretary to Government, Departments of Education and Agriculture.

VII. *Local Examinations.*—Under this head an increase of Rs. 3,000 has occurred for Examiners' fees and Examination room contingencies as sanctioned in Government Order No. 675-6—Edn. 21-15-2, dated 10th August 1915.

SUMMARY.

The budget estimates provide for receipts amounting to Rs. 4,53,279 and expenditure amounting to Rs. 5,72,508, thus showing an excess of expenditure over receipts by Rs. 1,19,229. This excess may be given as a grant from State Funds, as the invested balance at the credit of the Village School Fund has been reduced by Rs. 1,16,238 in order to meet the excess of expenditure over the receipts for the current year, as stated in para 7 of the Government Order No. 658-9—Edn. 163-14-2, dated 9th August 1915.

2. Report No. B. & R. 15, dated 27th July 1916, from the Comptroller to Government on the same subject.

Order No. 2524-5—Edn. 82-15-9, dated 30th September 1916.

The Inspector-General of Education estimates the receipts and expenditure of the Village School Fund for 1916-17 as follows:—

	Sanctioned estimates for 1915-16	Proposed estimates for 1916-17	Difference
	Rs.	Rs.	Rs.
Receipts	5,48,779	4,53,279	—95,500
Expenditure	6,65,017	5,72,508	—92,509

2. Including the State grant of one lakh for Village School buildings, the estimates for 1916-17 as proposed by the Inspector-General will result in an excess of Rs. 4,500 under receipts and Rs. 7,191 under expenditure over the sanctioned estimates for 1915-16. The variation under receipts is explained in the Memo read above.

3. Government have sanctioned in Government Order No. 6430-1—Edn. 111-15-2, dated 6th May 1916, the opening of 77 new village schools at an annual cost of Rs. 14,112, and this amount has therefore to be included on both the receipts and expenditure sides of this budget.

4. The total amount of contribution to the village school fund during 1916-17, from State funds will be Rs. 2,94,660, as shown below:—

	Rs.
For loss of income from fees	7,968
For promotion to teachers	48,636
Moiety of the cost of Pandits' Examination ...	379
For vernacular scholarships	6,000
For Malnad allowances to village school masters ...	4,800
For new schools	1,12,765
Amount referred to in paragraph 3	14,112
For Village School buildings	1,00,000
Total ...	2,94,660

5. Under receipts the amount of the allotment from the local cess is estimated by the Inspector-General at Rs. 2,40,000 as in the previous years; but as the actuals during 1913-14 and 1914-15 amounted to Rs. 2,75,364 and Rs. 2,74,848, respectively, the allotment for 1916-17 will be fixed at Rs. 2,75,000.

6. Under expenditure, the estimates under Anglo-Vernacular schools and Vernacular schools will be taken at Rs. 19,908 and Rs. 4,40,772 on the strength of the audit registers of the Comptroller's office instead of Rs. 20,016 and Rs. 4,52,518 respectively. To the expenditure side will be added an amount of Rs. 3,024 proposed by the Inspector-General to meet the Malnad allowances of village school masters.

No. 2524-5—Edn. 82-15-9, dated 30th September 1916.

Under Local Examinations the estimate of expenditure will be taken at Rs. 21,800 and not Rs. 19,800 as stated by the Inspector-General.

On account of large lapses during the previous years from the allotments for village school buildings the amount of expenditure from the village school fund for buildings will be reduced from Rs. 50,000 to Rs. 15,000 exclusive of the State grant of Rs. 1,00,000.

7. With these remarks the budget estimates of the village school fund for 1916-17 are passed providing for an income of Rs. 5,31,231 and an expenditure of Rs. 6,41,766. The excess of expenditure over receipts, *viz.*, Rs. 1,10,535, will be met if necessary by the sale of the securities (of a face value of Rs. 1,50,000, 3½ per cent Rupee paper) at the credit of the village school fund.

8. The details of the estimates are given in the accompanying statement, an abstract whereof is given below:—

No.	Items	Sanctioned estimates for 1915-16	Sanctioned estimates for 1916-17

Government Proceedings No. 1734-6—Muz. 78-01, dated 15th November 1901, directing the assumption of the management of Sri Adinarayanaswami temple at Yellodu in the Gudibanda Sub-Taluk together with its endowments, and calling for a regular scale of establishment and other charges consistently with the income of the institution.

Correspondence ending with letter No. 251, dated 18th December 1915, from the Deputy Commissioner, Kolar District, forwarding a report on the condition and situation of the inam lands endowed to the temple and submitting a scale of income and expenditure for use in the temple.

Order No. 639-42—Muz. 582-09-6, dated 2nd September 1916.

The temple of Sri Adinarayanaswamy at Yellodu in Gudibanda Sub-Taluk is an institution of some local celebrity and largely endowed with inam lands in the Gudibanda Sub-Taluk and Goribidnur Taluk to the extent of 724 acres, 34 guntas and assessed at Rs. 458-8-0. The temple is also endowed with some lands in the Hindupur Taluk, which are at present reported to be in the enjoyment of strangers.

The average annual income now realized from the lands is Rs. 510 which, it is understood, is capable of considerable increase as the result of careful management. The Deputy Commissioner submits a scale of income and expenditure for use in the temple, providing for an estimated income of Rs. 570 and expenditure of Rs. 384 per annum and also suggests that the Archak may be permitted to enjoy a definite share in the Dabbi collection. The scale of expenditure submitted by the Deputy Commissioner and hereto appended is suitable and is accordingly sanctioned. As regards the participation by the Archak in the Dabbi collection, it is observed that there is only one Archak on duty at the temple who will be liberally remunerated by the pay of Rs. 8 a month and other perquisites in the daily and extraordinary services and there does not therefore appear to be any necessity at present to give him any share of the collections.

As regards the endowments in the Hindupur Taluk said to be in the possession of strangers, the Deputy Commissioner may proceed to collect through the usual channel, the required information, and submit a report if further action is required to be taken.

The suggestion of the Deputy Commissioner to break up the unwieldy survey numbers in the Goribidnur Taluk into convenient blocks with a view to their advantageous leasing, is approved.

Government Proceedings No. 278-81—Muz. F. 99-12-2, dated 15th August, 1912, increasing the State grant for the upkeep of the Sri Chamarajendra Memorial temple at Calcutta to Rs. 4,800 and sanctioning with effect from 1st July 1912 a scale of pay to the temple staff as follows:—

	Rs.
Agent	50 per month
Pujari	15 per mensem
Durvan Mali (Head gardener)	15 ,,
Mali	11 ,,
Mali cooly	10 ,,

2. Letter dated 26th July 1916, from Mr. F. A. Larmour of Calcutta, stating that the cost of living in Calcutta has within the last three years increased greatly, that the wages of unskilled labour has also gone up high; and that he has been with difficulty keeping the staff together; and recommending some increases to the pay of the staff

Order No. 655-8—Muz. 123-16-2, dated 6th September 1916.

Under the circumstances brought to notice, the Government are pleased to revise the pay of the staff, which will be as follows:—

Pujari (Nawab Tewari)... ...	Rs. 16 per mensem.
Head Gardener (Chakradhar) ...	Rs. 16 to 20 with annual increments of one rupee.
Mali	Rs. 12 to 14 with annual increments of eight
Mali cooly	Rs. 11 to 13 annas each.

The extra cost involved will thus be Rs. 48 per annum immediately, rising to Rs. 144 in four years, and will be met by an additional grant to the temple tasdik from the State Funds. The order will take effect from 1st of August 1916.

2. The additional expenditure during the remaining months of the current year may be met from the State Grant for 1916-17 for "construction and repairs of Muzrai Institutions." The Comptroller is requested to make the necessary provision in future budgets to meet the increased cost.

Letter No. 2936—8-15-16, dated 17th December 1915, from the Military Secretary to His Highness the Maharaja.

Order No. 1923-57—P. W. 9233-67, dated 2nd September 1916.

Interest and depreciation charges at 5 per cent on the capital cost of the electric light installation in all Government residential buildings are leviable under Government Order No. 914-54—P. W. 8724-64, dated the 21st September 1911.

2. It is hereby directed that buildings which are not used for permanent residential purposes but only as rest-houses and are exempt from Municipal taxes on that account, may also be exempted from interest and depreciation charges on the electric light installation therein. The demand for these charges now made on some of the marginally noted buildings may accordingly be withdrawn.

4. Note No. D. C. 136-1, dated the 20th July 1916, from the Secretary, Public Works Department, on the University buildings inspected by the Dewan and the President of the University Committee, on 13th July 1916.

5. Chief Engineer's Memorandum No. D. C. 140-1, dated the 22nd July 1916, submitting notes of inspection of the more important works now in progress within the Municipal limits at Mysore.

Order No. 2051-7—P. W. 10008-14, dated 23rd September 1916.

With Government Order dated the 6th November 1914 read above, a statement was issued indicating certain building and other works in the Mysore City and the officer responsible for taking action in respect of each work. A time limit was also prescribed within which action had to be taken. In his note dated the 22nd July 1916, the Chief Engineer has furnished Government with a report showing progress made on each of the works.

2. Government note that some important works, like items 2, 3 and 4 in the statement, have been completed and that others, *e.g.*, items 5 and 6, are approaching completion. The progress made on the remaining works has not, for various reasons, been so satisfactory.

3. On the 13th July 1916, the Dewan in the company of the Chief Engineer and the Chairman, Mysore Trust Board, inspected some of the more important of these works. After taking into account the progress made so far, the Government are pleased to prescribe the accompanying *Responsibility Sheet A*, indicating the further action to be taken in respect of the works, and the officer responsible for each item of the same. Items Nos. 2, 3, 4, 5 and 6 of the statement issued with Government Order No. 3702-9—Ml. 163-14-1, dated the 6th November 1914, have been omitted. No action is necessary for the present in respect of item 7 (4) of the same statement as it is reported that an extension along the Seringapatam road is not likely to be popular.

4. In Government Order No. G. 6737-85—G. M. 261-14-1, dated the 29th December 1914, a programme was laid down of improvements needed to make the Chamundi Hill more attractive, both as a hill station and as a pleasure resort. The progress made in carrying out these improvements and the further action necessary are indicated in *Responsibility Sheet B*, attached to this order.

5. In respect of buildings required for the new University, a similar *Responsibility Sheet* marked *C*, is attached indicating the works which require attention in the current year.

6. It is important that the question of funds for each item of work should be settled before the work itself is undertaken. In some instances, as in the case of certain improvements on the Chamundi Hill, funds have to come from various

sources. The officer shown as responsible for the work should raise the question specifically in respect of each item, consult all the authorities concerned and obtain the orders of Government. This condition does not, however, apply to the buildings and works connected with the University, for which suitable provision has been made in the State budget for the current year.

7. Government trust that the works referred to in the three *Responsibility Sheets* will be pushed through without avoidable delay. The officer shown as responsible in column 5 of each sheet should submit through the usual official channel to the Secretary to Government concerned, a report of progress in respect of each item of work for which he is responsible, by 1st January 1917, and thereafter regularly *once a quarter.*

No. 996-999—Rv. F. 45 O. L.-16-17, dated 20th September 1916.

General Rules for the transaction of business at meetings of the principal officers of the Mysore State Railways open to traffic.

---

1. Meetings of the principal officers should be held not less frequently than once a month for the discussion of questions submitted by the Agent, the general transaction of business, and the registration of all sanctions, orders, etc., which may have been issued by the Agent or other authorities. The Comptroller, Public Works and Railway Branch, should not consider that a sanction is complete until it has been recorded in the minutes.

2. All important orders and all general business relating to the Railway should, when practicable, be reserved for discussion at these meetings, and no circular or working order affecting more than one department should be issued except after consideration at a meeting. If considered necessary, estimates (either in abstract or detail at the option of the Agent) for works proposed to be undertaken should be printed in the body of the minutes.

3. The establishment rolls and working estimates should be discussed at a special meeting held for the purpose. The recommendations made at this meeting should be registered in the minutes, copies being submitted to the Government not later than one month previous to commencement of the period to which they refer. No new appointment, with salaries of Rs. 100 and upwards, should be entered in the minutes without the previous sanction of the Government.

4. The Comptroller, Public Works and Railway Branch, should bring to notice at these meetings all cases in which outlay is being incurred, or appears likely to be incurred, in excess of existing sanctions and the necessary steps should be taken at such meetings to obtain further sanction or to curtail outlay as may be deemed proper. A precis of the reports made by the Comptroller, and the action taken thereon should invariably be recorded in the minutes of the meetings. Under this rule if the expenditure of any department up to the end of any month is in excess of the proportion of the annual sanctions due to the work done up-to-date the matter should be promptly brought to notice and thoroughly reviewed.

5. The names of the Officers attending these meetings as well as their official designations should be entered in the minutes. The principal officers who should, as a rule, attend are:—

The Agent.
The Engineer-in-Chief.
The Locomotive Superintendent.
The Traffic Manager.
The Comptroller, Public Works and Railway Branch.
The Chief Store-keeper.

(i) Notice of points which any of the above officers wish to be discussed should be entered by the Agent in an agenda notice to be circulated at least one day before the meeting.

(ii) Questions of which notice has not been given may also be discussed at the meetings with the consent of the Agent.

(iii) The meeting should be on a fixed day, which should not be altered without good reasons.

(iv) The Agent should act as a Chairman and direct the discussion and transaction of business. He should hear all sides of the question but his decision, when given, shall be binding on the meeting. Other opinions can, however, if desired, be recorded.

(v) The minutes of the meetings must be entered in a minute book to be kept by the Agent and signed by him.

(vi) The minutes should be as brief and concise as it is possible to make them.

(vii) A copy of the minutes must be sent to each Head of Department as soon as practicable, after the meetings.

(viii) The minutes of the previous meeting must be read and confirmed before proceeding to the business of the day.

(ix) The minutes, when confirmed, will be considered binding on the officer concerned to carry into execution any decision contained in them without further correspondence.

(x) Nine copies of the minutes when confirmed should be sent to the Government within twenty-one days of confirmation.

(xi) Any failure on the part of the Government to notice objectionable points in the minutes must not be held to imply approval on their part.

No. 996-999—Ry. F. 45 O. L.-16-17, dated 20th September 1916.

(xii) The following documents should be appended to the minutes of meetings:—

Half-yearly—

1. Returns of trollies.
2. Reports of deficiencies of tools and plant and stores disposed of.

Quarterly—

1. Lists of appointments.
2. Lists of dismissals.

Monthly—

1. Audited abstract lists of free-passes issued.
2. Statements of mail trains which miss connection with adjacent lines.
3. Statements of number of depositors in State Railway Provident Institution.
4. Weight of principal commodities carried.

Occasionally—

1. List of Revenue minor works sanctions.

6. The object of the meeting is to facilitate general management by dispensing with voluminous or needless correspondence. The Agent and the other officers should pave the way to all official action or representation by means of personal communication. Correspondence with subordinate staff should be discouraged. The office work of Station Masters, Foreman, etc., should be confined, as much as possible, to the submission of returns. Questions demanding explanations should, to the utmost extent practicable, be settled personally on the spot by one of the superior officers of the department concerned.

(1) The Head of any Department should refer to these meetings all correspondence needing settlement or involving numerous references.

(2) Successful Railway working consists not in the elaboration of statistics or accumulation of correspondence, but in unremitting attention to the wants of the public and to the repression of all unproductive expenditure. It is therefore expected that all officers, as well as their assistants will be constant and unceasing in their personal visits to all parts of the Railway under their charge, in order to take up complaints, meet difficulties, remedy abuses, and ensure satisfactory and economical working.

(3) Cordial co-operation amongst the officers of the Railway is essentially necessary, and the Agent is expected to maintain harmony and discountenance anything like personal feeling in the discussions at the meetings or in the official relations between officers of the Railway.

(4) No new power is created by these rules, nor is the responsibility of the Agent decreased. All that it is desired to promote is the free and unrestricted interchange of opinions between the Agent and Heads of Departments.

(5) The Secretary to the Agent will be *ex-officio* Secretary to the meetings.

(6) A copy of these Regulations will be hung up in the offices of all Heads of Departments.
